
Agii.net Link Directory

Posted by dirman - 2007/10/22 04:31

Up for sale is the customized link directory;

www.Agii.net

This directory has over 1500 unique, human approved links and over 250 categories. The domain is a great 4 letter, pronounceable .net and expires on 6/20/2008

Looking for offers over \$100, please post here if interested

I would like to offer \$125 for this directory. I really like the design.
